CONNECTIONS

BATTER UP!

Mt. Carmel Community at The Village is going to **bat** for you in a big way this October as we bring you a variety of opportunities for fun and fellowship. The English language is full of words that have double meanings. For example, a '**bat**' might be a baseball slugger's tool or a night-flying mammal. With Major League Baseball winding down and Halloween fun gearing up, we can't think of a better time to celebrate **bats** in every sense of the word! You'll notice lots of Baseball and Halloween **bat** activities on this month's calendar! Right off the **bat**, during the first week of October, you can score big playing **Bat** Phrases Wheel of Fortune and **Batwing** Dominoes, as well as enjoying a Brownie **Bats** Food Craft and making a Halloween **Bats** Door Decoration for your apartment. Our other Monday morning **bat**-themed editions of Wheel of Fortune include **Batting** a Thousand (featuring phrases that originated from the game of baseball), **Batman** (straight out of Gotham City), Right Off the **Bat**, and **Bat** Facts. If you enjoy playing card games, you'll love playing **Bats** in the Belfry - a card game that takes its cue from Kings in the Corner! Additionally, if Chicken Foot Dominoes is your game, you'll feel right at home when we play **Batwing** Dominoes on the 5th and 26th! See the back page for all the details about two exciting **bat**-themed parties that will be held this month. In baseball, a player is said to be "**batting** a thousand" if they get a hit every time they are up to **bat**. Mt. Carmel Community is bringing you a lineup of big hits this month with our scheduled activities. It's up to you to knock them out of the park by playing along!

Ken Goodman is Back!

You are invited to attend an inspiring afternoon of musical entertainment on Wednesday, the 19th, as **Ken Goodman** returns to Mt. Carmel Community! Ken is a founding member and lead entertainer for The Entertainment Foundation, whose mission is to bring professional entertainers to veterans and senior adults. Ken has a special love and admiration for senior adults, the US Military, and veterans, so his work with The Entertainment Foundation is a match made in heaven! He grew up traveling the world as a military brat before returning to his roots in Arkansas, where he has served in various church capacities and entertains professionally. Invite your neighbors to help us welcome Ken Goodman back to Mt. Carmel Community at The Village.
